Freshwater or salt water, the 2110SE NauticBay is the perfect cross over. The 92" beam makes it easy to garage and get in and out of those tight fishing spots. 3 jump seats, 2 aerated livewells, 22 rod holders, built in tackle storage and 2 insulated fish boxes are some of the "loaded out" features that are sure to make the 2110SE NauticBay our most popular bayboat.
